          'transport, passenger car, fleet average, BEV, 2030' (kilometer, NEU, None)
          'transport, passenger car, fleet average, BEV, 2030' (kilometer, CAZ, None)
          'transport, passenger car, fleet average, BEV, 2030' (kilometer, OAS, None)
               'transport, passenger car, fleet average, BEV, 2030' (kilometer, CHA, None)
          'transport, passenger car, fleet average, BEV, 2030' (kilometer, MEA, None)
               'transport, passenger car, fleet average, BEV, 2030' (kilometer, IND, None)
               'transport, passenger car, fleet average, BEV, 2030' (kilometer, SSA, None)
          'transport, passenger car, fleet average, BEV, 2030' (kilometer, REF, None)
          'transport, passenger car, fleet average, BEV, 2030' (kilometer, IPN, None)
                'transport, passenger car, fleet average, BEV, 2030' (kilometer, LAM, None)
               'transport, passenger car, fleet average, BEV, 2030' (kilometer, USA, None)
               'transport, passenger car, fleet average, BEV, 2030' (kilometer, EUR, None)
               'transport, passenger car, fleet average, FCEV, 2030' (kilometer, REF, None)
                'transport, passenger car, fleet average, FCEV, 2030' (kilometer, EUR, None)
                'transport, passenger car, fleet average, FCEV, 2030' (kilometer, MEA, None)
                'transport, passenger car, fleet average, FCEV, 2030' (kilometer, JPN, None)
               'transport, passenger car, fleet average, FCEV, 2030' (kilometer, CAZ, None)
               'transport, passenger car, fleet average, FCEV, 2030' (kilometer, CHA, None)
                'transport, passenger car, fleet average, FCEV, 2030' (kilometer, LAM, None)
                'transport, passenger car, fleet average, FCEV, 2030' (kilometer, NEU, None)
          'transport, passenger car, fleet average, FCEV, 2030' (kilometer, IND, None)
               'transport, passenger car, fleet average, FCEV, 2030' (kilometer, OAS, None)
          'transport, passenger car, fleet average, FCEV, 2030' (kilometer, USA, None)
               'transport, passenger car, fleet average, FCEV, 2030' (kilometer, SSA, None)
               'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, CHA, None)
               'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, OAS, None)
                'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, JPN, None)
          'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, USA, None)
               'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, SSA, None)
                'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, REF, None)
               'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, CAZ, None)
                'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, LAM, None)
          'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, MEA, None)
               'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, NEU, None)
               'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, IND, None)
                'transport, passenger car, fleet average, ICEV-g, 2030' (kilometer, EUR, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, CHA, None)
               'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, EUR, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, LAM, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, REF, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, CAZ, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, MEA, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, SSA, None)
               'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, JPN, None)
               'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, IND, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, USA, None)
                'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, OAS, None)
               'transport, passenger car, fleet average, PHEV-p, 2030' (kilometer, NEU, None)
               'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, EUR, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, MEA, None)
          'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, IND, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, NEU, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, OAS, None)
          'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, CAZ, None)
               'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, JPN, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, CHA, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, LAM, None)
               'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, REF, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, USA, None)
                'transport, passenger car, fleet average, HEV-p, 2030' (kilometer, SSA, None)
               'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, OAS, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, MEA, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, LAM, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, EUR, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, IND, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, USA, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, CAZ, None)
               'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, REF, None)
                'transport, passenger car, fleet average, ICEV-p, 2030' (kilometer, SSA, None)
